About Me

I'm enthusiastic about leveraging my Web development expertise to contribute to a forward-thinking company that prioritizes ongoing learning and offers abundant opportunities for professional advancement and hands-on application of emerging technologies

Education:

Bachelor of Commerce(Hons) [July, 2024] [Delhi University (SOL)],
Delhi

12th [march, 2021] [HBSE], Faridabad [91.6%]

Skills:

- Proficient in React.js, Angular.js, Dot Net, HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, Git, GitHub
- Strong communication skills, both written and verbal
- Excellent problem-solving abilities
- Ability to work effectively in a team as well as independently
- Quick learner with a strong desire to acquire new skills

Projects:

1. ProjexERP

Web Designer

Company Link : <https://www.projexerp.com/>

- Designed and developed **Mellcon's new corporate website** using modern UI/UX principles.
- Implemented **Tendernews-specific methodologies** to measure and prioritize customer satisfaction, improving overall user engagement and navigation experience.

2. Advising Buddy

Front End Developer (React js)

Company Link : <https://advisingbuddy.com/>

- Created an intuitive and responsive **UI for the Advising Buddy website** using **React.js**
- Focused on clean layout design and optimized user flow for better accessibility and user experience.

3. Ajaibbani

Front End Developer (Angular js)

Company Link : <https://www.ajaibbani.org/>

- Converted the **front-end codebase from .NET to Angular**, improving maintainability and performance.
- Recreated the existing user interface in **Angular** while preserving design consistency and enhancing responsiveness.

4. Traincape Technology

Web Developer Intern (React js)

Company Link : <https://traincapetech.in/>

- Managed and maintained the **company's official website** using **React.js** ensuring consistent performance and uptime.
- Applied **Traincape's internal methodologies** to track and improve customer satisfaction through UI enhancements and backend updates.
